## 14 CFR Part 1260

## RIN 2700–AB95

**Amending the NASA Research Grant Handbook To Address Education Grants, Training Grants, and Reduce the Threshold for Incremental Funding of Grants**

AGENCY: National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

**SUMMARY:** NASA has revised its Research Grant Handbook to define education and training grants, permit the award of education grants, and decrease the threshold for incremental funding of grants. The purpose of these changes are to increase the coverage of the Handbook and provide greater funding flexibility. These changes benefit both NASA and the grantee community.

**EFFECTIVE DATE:** March 29, 1995.

**FOR FURTHER INFORMATION CONTACT:**

Thomas W. Dussault, (202) 358–0463.

**SUPPLEMENTARY INFORMATION:**

**Background**

In response to the interim rule (59 FR 36355, July 18, 1994), NASA received 1 comment from 1 person.

The only comment made was in regard to lowering the threshold for incrementally funding grants. In the interim rule NASA lowered the threshold for being able to incrementally fund grants from over \$1 million to \$50,000. The comment made was that \$50,000 was thought to be too low and that NASA should consider raising it to \$250,000. The lower threshold of \$50,000 was selected because it allows NASA greater flexibility to award grants when the bulk of the funding will not be available until the next fiscal year.

**Impact**

NASA certifies that this final rule will not have a significant economic effect on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). This rule does not impose any reporting or recordkeeping requirements subject to the Paperwork Reduction Act.

RIN 1515-AB40

#### Elimination of Certain Documentation Requirements for Articles Entered Under Various Special Tariff Treatment Programs and Provisions

**AGENCY:** Customs Service, Department of the Treasury.

**ACTION:** Final rule; correction.

**SUMMARY:** This document corrects a final rule document which amended the Customs Regulations by removing certain documentation requirements relating to the entry of articles claimed to be entitled to a partial duty exemption or duty-free treatment under various special tariff provisions or programs. The correction involves an amendatory instruction regarding § 178.2 of the Customs Regulations which lists the control numbers for approvals of information collection requirements.

**EFFECTIVE DATE:** This correction is effective June 16, 1994.

**FOR FURTHER INFORMATION CONTACT:** Craig Walker, Office of Regulations and Rulings, 202-482-6980.

#### SUPPLEMENTARY INFORMATION:

##### Background

On May 17, 1994, Customs published in the **Federal Register** (59 FR 25563) a final rule document amending the Customs Regulations to remove certain documentation requirements relating to the entry of articles claimed to be entitled to a partial duty exemption or duty-free treatment under various special tariff provisions or programs. Among the amendments were consequential amendments to § 178.2 of the Customs Regulations (19 CFR 178.2) concerning the revision, removal or addition of listings in the table setting forth the listing of Office of Management and Budget control numbers for approvals of information collection requirements pursuant to the Paperwork Reduction Act of 1980. One of the removed listings referred to in the amendatory instruction was the listing for § 10.8(e). However, this reference

was incorrect because, in an interim rule document published in the **Federal Register** on December 30, 1993 (58 FR 69460), § 178.2 had been amended by removing from the table the reference to "§ 10.8(e)" and adding, in its place, the reference "§ 10.8(f)". Accordingly, this document corrects the amendatory instruction for § 178.2 in the May 17, 1994, final rule document to properly refer to the removal of § 10.8(f).

#### Correction of Publication

In the document published in the **Federal Register** as T.D. 94-47 on May 17, 1994 (59 FR 25563), on page 25571, second and third columns, the amendatory instruction for § 178.2 is corrected to read as follows:

#### § 178.2 [Corrected]

"2. Section 178.2 is amended by revising the listings for §§ 10.1 and 10.173, removing the listings for §§ 10.8(f), 10.9(e), and 10.191-10.198 and adding, in their place respectively, listings for §§ 10.8, 10.9, and 10.198 to read as follows:"

#### SUPPLEMENTARY INFORMATION:

##### Background

Section 140(d) of the Foreign Relations Authorization Act, FY 94-95 (Public Law 103-236), enacted April 30, 1994, authorizes the Department of State to obtain the full content of criminal history records of those applicants for immigrant visas whose names are indexed in the Interstate Identification Index of the National Crime Information Center. To do so requires submission of fingerprint records. The statute further provides that the Department shall pay the appropriate fee as provided for in the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies Appropriations Act, FY 90 (Public Law 101-162), and that the program shall end on January 1, 1998.

Section 505 of the Departments of Commerce, Justice, and State, the Judiciary and Related Agencies Appropriations Act, FY 95 (Public Law 103-317), enacted August 26, 1994, requires the Secretary of State, in the ten countries with the highest volume of immigrant visa issuance for the most recent fiscal year for which data are available, to submit to the Federal Bureau of Investigation (F.B.I.) records of fingerprints for all immigrant visa applicants over sixteen years of age to ascertain whether such applications have been previously convicted of a felony under State or Federal law in the United States. Section 505 further provides that the Department shall pay all appropriate fees for this fingerprinting pilot program and that the program shall end on January 1, 1998.

Executive Order 10718 of June 27, 1957, authorizes the Secretary of State to exercise the President's authority under 22 U.S.C. 4219 to prescribe rates of fees to be charged for official services performed by the Department of State. Under this authority, the Department has determined a number of fees for consular services performed overseas, as well as in the United States, within the guidelines set by OMB Circular No. A-25. The policy set out in OMB Circular A-25 states that services which directly benefit individuals, organizations, or groups should be paid for by the users rather than the taxpayers. Services performed for the primary benefit of the general public or the U.S. Government are to be supported by tax revenues. The
